

Jubilee REACH Groceries for Families

Jubilee REACH partners with churches and organizations to fill gaps from lost jobs, school closures, and medical challenges for students and their families. Phase 4 of the "Groceries for Families" program continues to support local families. You can help by donating weekly groceries, bulk produce boxes, or as-needed pantry items. Your donations help demonstrate Jesus' love and healing with those in need in your community.

Drop off your orders in a paper bag labeled "BP" on Tuesday mornings, **7am -12pm** at the Jubilee REACH Center: **14200 SE 13th Place, Bellevue, 98007**. Orders can also be purchased online (Safeway/Instacart/Amazon, etc.) and delivered directly to Jubilee REACH. Please send order to "**Jubilee REACH-BP**" for delivery to the street address listed above between 7am-12pm on Tuesday. Please instruct delivery to the back door of Jubilee by the parking lot. Families receive groceries and pantry items once weekly on Wednesday. Please sign up [HERE](#).
