

Employer Gift Matching

Looking to make your giving dollars go further? Check to see if your company has a matching plan in place. Many companies (including Microsoft, Costco & more) will match all or part of your gifts to Bellevue Presbyterian Church.

These funds are used for our many Community Outreach programs. Please note that some employers also match for giving time towards charitable causes. Bellevue Presbyterian Church is a 501(c)(3) organization.

Note: For those who are giving through Microsoft's matching program, you will want to choose "Bellevue Presbyterian Church / Community Outreach" when applying for the matching request.

If you have any questions regarding your match request, please contact the Finance department at contributions@belpres.org.
