BELLEVUE PRESBYTERIAN CHURCH MEDIA POLICY

Media images and recordings bring life to and help tell the story of BelPres's vibrant faith community, enhance the quality of the information we provide to our members and give visitors an idea of what to expect when they attend our church. We would like to share media items recorded at our various ministry activities, events and programs in church-produced materials, including, but not limited to, bulletins, posters, brochures, emails, and on the church website.

Accordingly, participation in church activities implies permission for publication of any media recorded, unless a signed copy of this form is on file with the church. While we reserve the right to photograph and record church events, in an effort to respect your privacy, we will not use any images of minor children so long as we have a completed form including a recent photograph on file in the Family Life Office. This form must be submitted annually with an updated photo.

To exercise this option, check the box below and provide the information requested, along with a recent photograph of your child
